The Kingdom Fuminori Nakamura

Yurika is a freelancer in the Tokyo underworld. She poses as a prostitute, carefully targeting potential johns, selecting powerful and high-profile men. When she is alone with them, she drugs them and takes incriminating photos to sell for blackmail purposes. She knows very little about the organization she's working for, and is perfectly satisfied with the arrangement, as long as it means she doesn't have to reveal anything about her identity, either. She operates alone and lives a private, solitary life, doing her best to lock away painful memories.

But when a figure from Yurika's past resurfaces, she realizes there is someone out there who knows all her secrets: her losses, her motivations, her every move. There are whispers of a crime lord named Kizaki—"a monster," she is told—and Yurika finds herself trapped in a game of cat and mouse. Is she wily enough to escape one of the most sadistic men in Tokyo?
