The Poetry of Taras Shevchenko Taras Shevchenko

Taras Hryhorovych Shevchenko (1814–1861) was a Ukrainian poet, writer, artist, public and political figure, as well as folklorist and ethnographer.

His literary heritage is regarded to be the foundation of modern Ukrainian literature and, to a large extent, the modern Ukrainian language. Shevchenko is also known for many masterpieces as a painter and an illustrator.

Taras Shevchenko's writings formed the foundation for the modern Ukrainian literature to a degree that he is also considered the founder of the modern written Ukrainian language.

Shevchenko's poetry contributed greatly to the growth of Ukrainian national consciousness, and his influence on various facets of Ukrainian intellectual, literary, and national life is still felt to this day. Influenced by Romanticism, Shevchenko managed to find his own manner of poetic expression that encompassed themes and ideas germane to Ukraine and his personal vision of its past and future.
