Time Will Tell

Volume 3

Molly had a family and had been in love ... but now she was alone on an isolated ranch with no one but her baby. She'd learned that even people you love can leave.

J.B. drifted onto a ranch and into the life of a woman who needed help. He'd failed himself and others before and wasn't interested in risking anything more.

But was it time to try again?

Time of Her Life

Volume 4

Dr. Antigone "Annie" Armstrong was terminally shy, overly bookish and completely in lust with her gorgeous, charming handyman.

Kevin Turner was good with his hands and able to talk to anyone but, he'd never read a book in his life. There was no way his employer, an English professor, was ever going to take him seriously.

That didn't mean he couldn't try. If nothing else, he planned to show her the time of her life.
