OSHO

Una sola semilla hace que la Tierra sea más verde (B de Books) (Spanish Edition) OSHO

La sociedad no puede tolerar la individualidad porque nuestra propia individualidad impedirá que sigamos un solo camino como si fuéramos ovejas. La individualidad tiene la cualidad del león, el león se mueve solo.

Actualmente, el planeta Tierra sufre destrucciones aceleradas. Osho considera que las propuestas ecológicas no son suficientes para transformar al mundo y evitar la destrucción del planeta. Para Osho, la solución a esto se encuentra en el zen: la transformación sólo será posible por medio de la meditación y la rebelión en contra de las tradiciones. La revolución espiritual es lo que transformará a todo el planeta.

En estas charlas, Osho reflexiona y critica con mucho sentido del humor no sólo a las religiones sino a todas las doctrinas que han cubierto de oscuridad a toda la humanidad. Con un lenguaje sencillo y directo, Osho arremete contra las costumbres políticas, religiosas y culturales de Oriente y Occidente. Ninguna se salva del ojo crítico del místico contemporáneo que se atrevió a vivir como un león.
